WITH THESE HANDS

With these hands we give meaning and purpose to life. Our hands become extensions of the mind with which we carry out our ideas. They create and express our hopes and plans. They are responsible for our triumphs as well as our failures.

With these hands we develop our minds and our bodies, our talents and our skills. As we write, our hands become echoes of our thoughts. They are instruments of triumph as we compete and compare our abilities with others. Our hands become an outlet for our creativity when we express ourselves in music or art. Finally, as we worship, our hands become a symbol of our humility.

We have chosen the theme "With These Hands" for the Cerebus of 1963 and we hope that you use your hands to trace the path of the future by building the lives that will be the future adults and leaders of America.

Nothing like a 7:30 class to make us happy and gay and ready for another day.

Ho - Hum!

We're smart too!

Look out, here comes our pep!

I am pleased to present

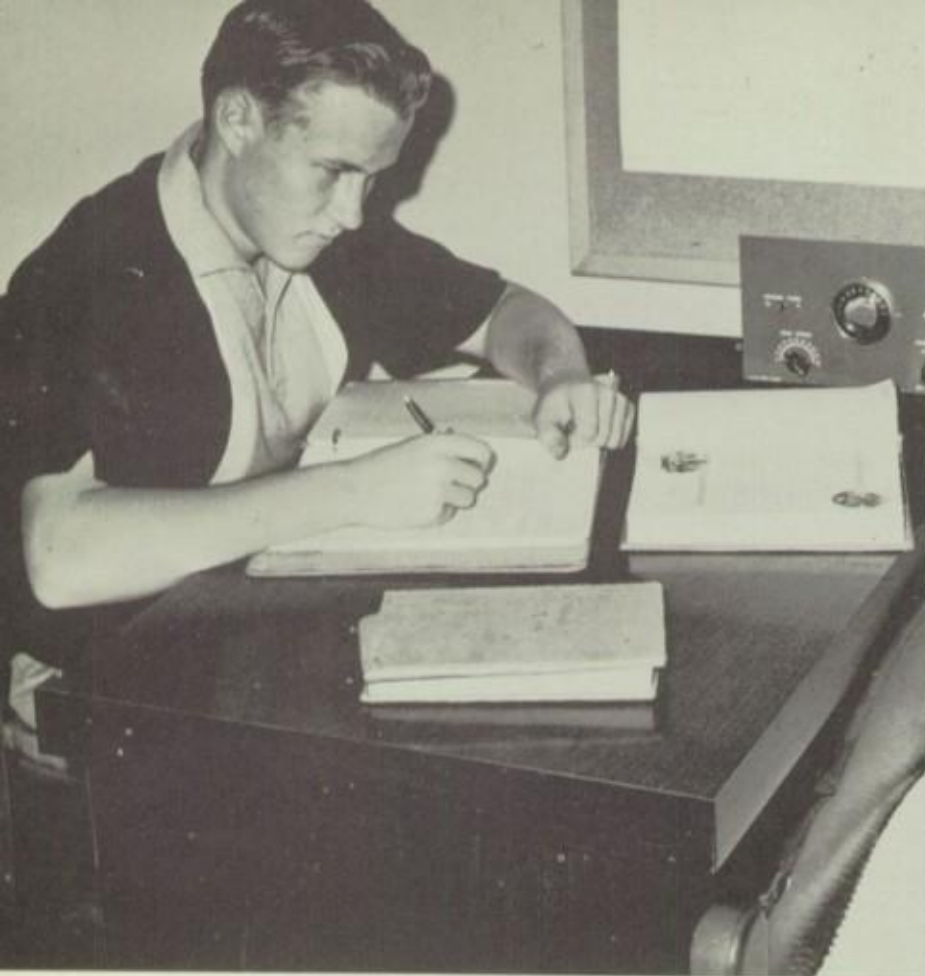

The smell of hot lunches mingles with the music from the juke box and the low roar of students who find their half hour lunch period a welcome daily break from class.

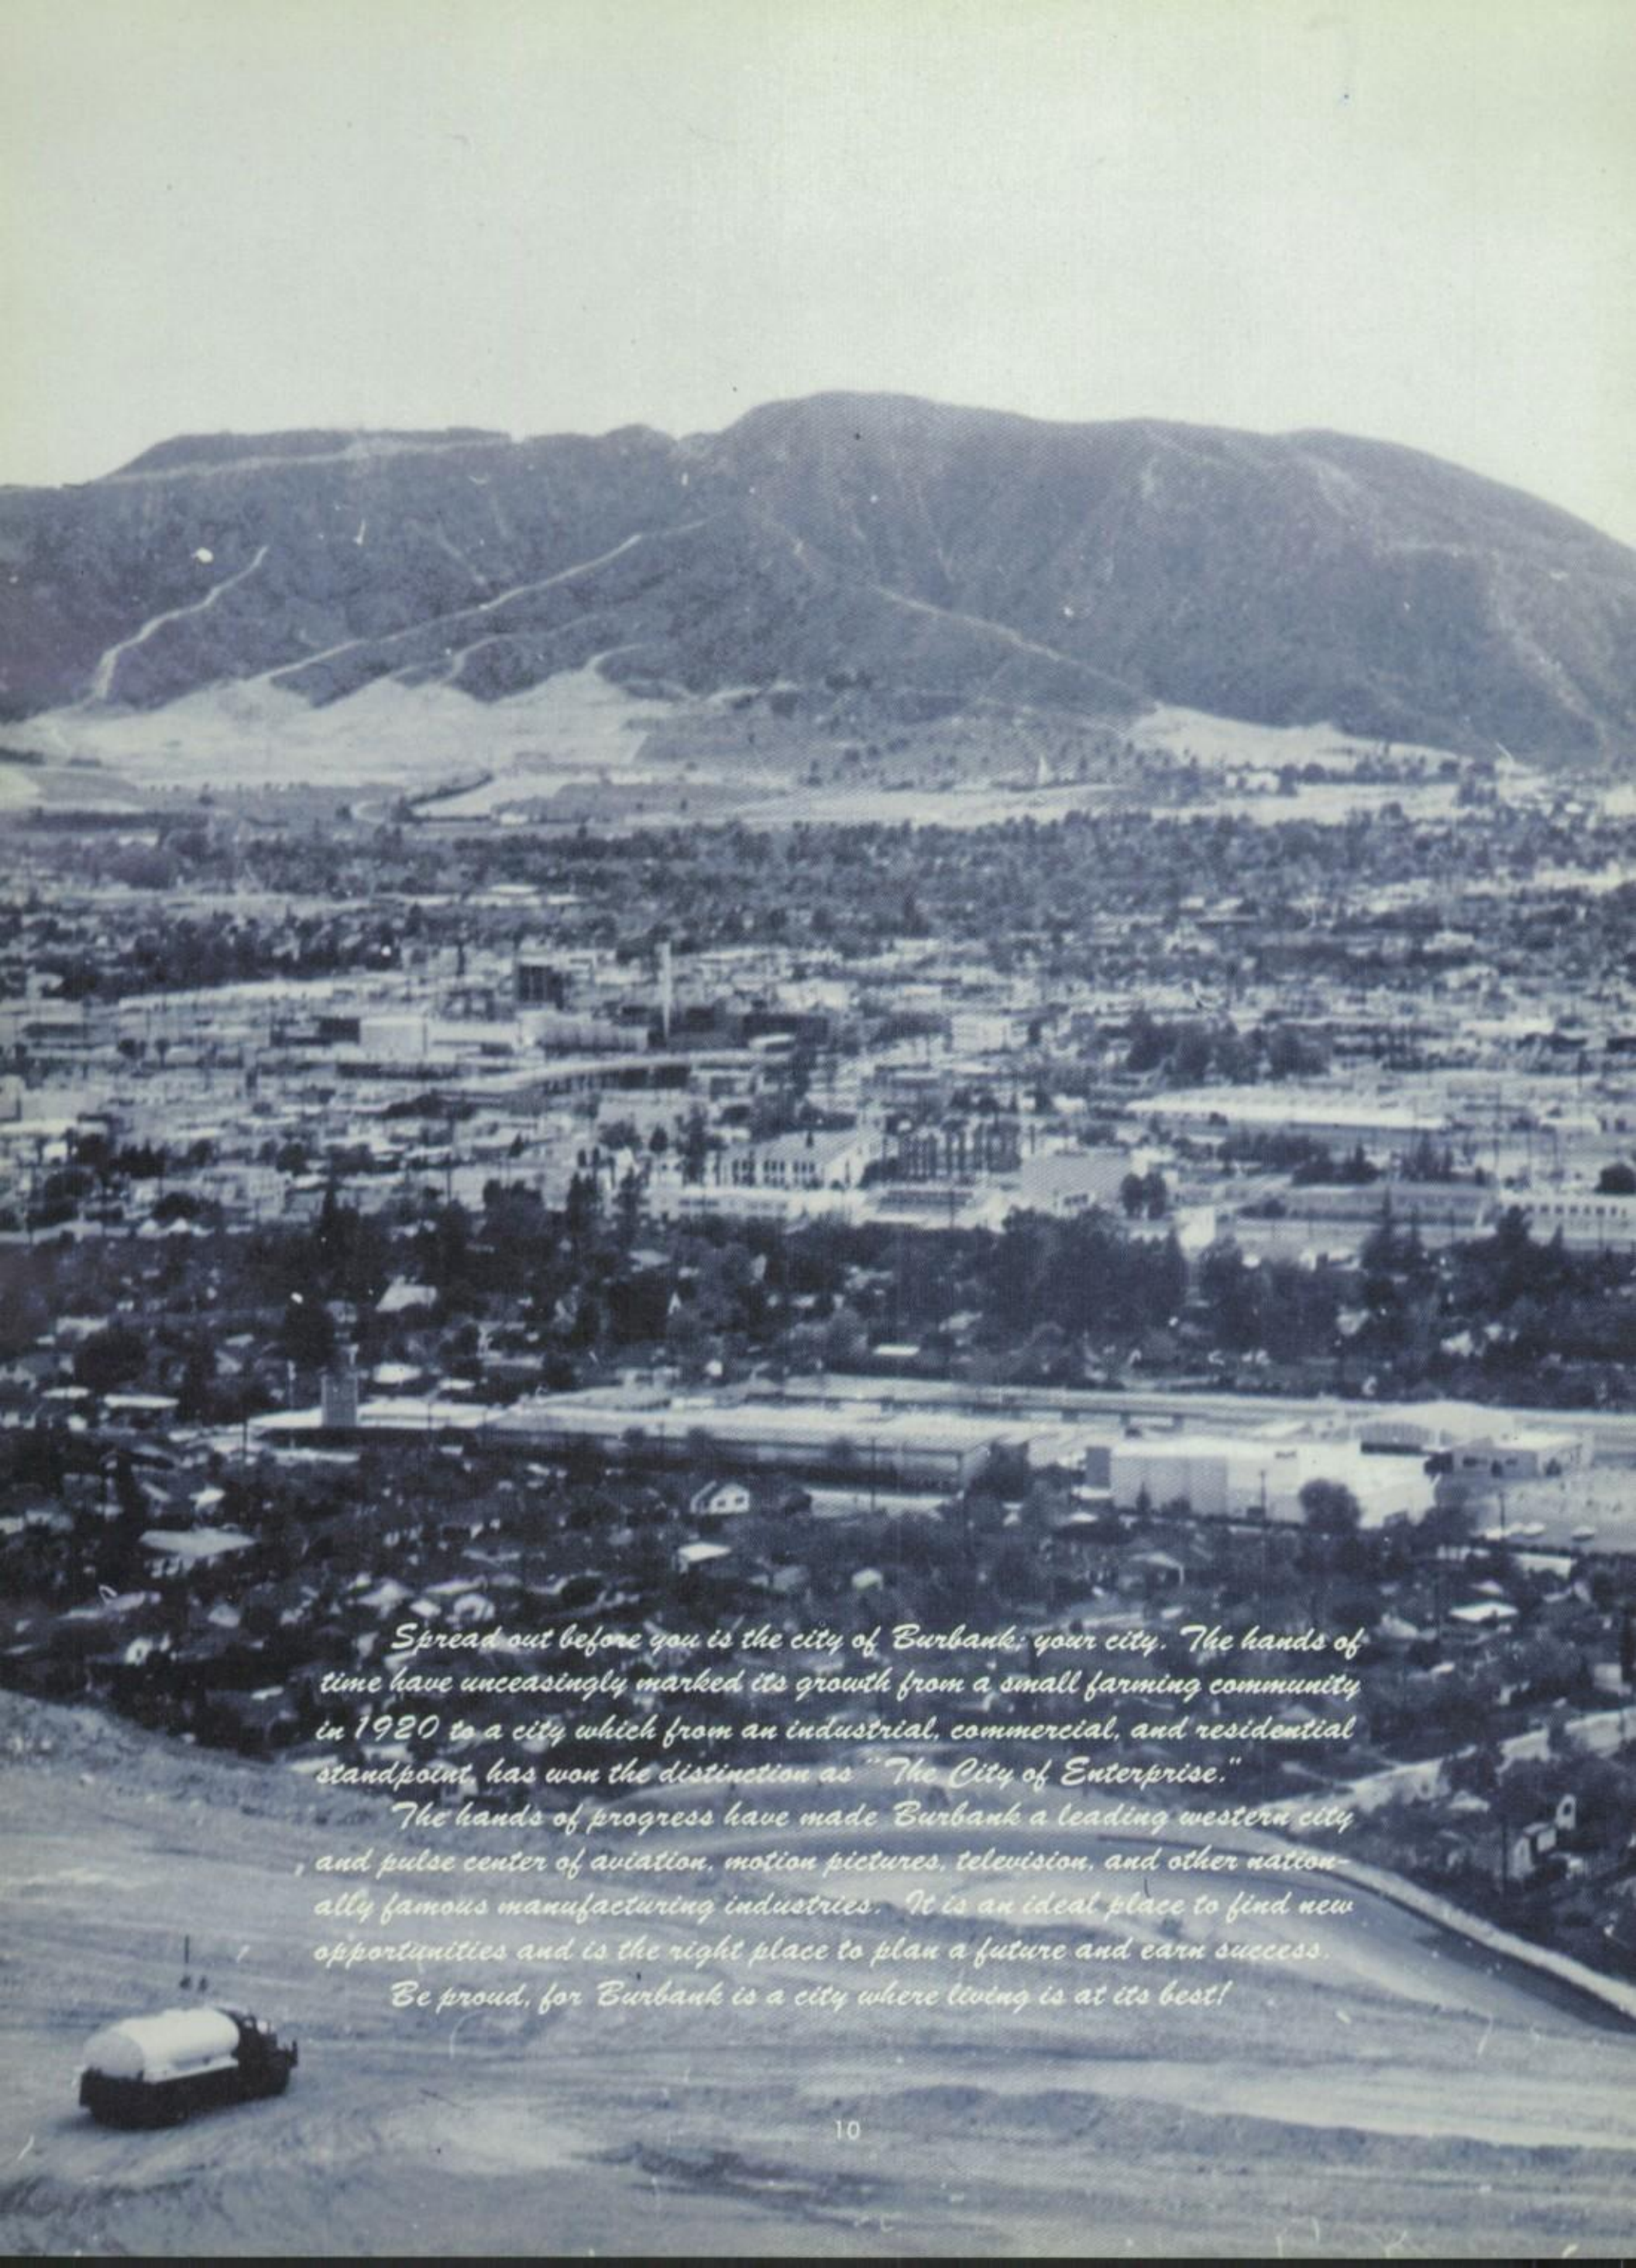

School is out for the day and students quickly leave the campus to try and find some use for a couple of spare hours before hitting the books again.

Thought that day would never end!! It's time to drag myself home and hit the books if I want to have some fun tonight.

Spread out before you is the city of Burbank; your city. The hands of time have unceasingly marked its growth from a small farming community in 1920 to a city which from an industrial, commercial, and residential standpoint, has won the distinction as "The City of Enterprise."

The hands of progress have made Burbank a leading western city and pulse center of aviation, motion pictures, television, and other nationally famous manufacturing industries. It is an ideal place to find new opportunities and is the right place to plan a future and earn success.

Be proud, for Burbank is a city where living is at its best!

WE DEDICATE THE 1963

CEREBUS TO . . .

MISS MARJORIE IMBACH

in recognition and with thanks for your ceaseless devotion to the students and the spirit of Burbank High School for the past seven years. You have been not only a teacher, but also a friend and counselor, and we are grateful.

As a favorite English and Seminar teacher, you enjoy our deepest respect and admiration. By the quality of your instruction it would appear that these responsibilities would take all your time, but this is not so. In addition, you have given freely and unselfishly of your time and energy as the Associated Student Body advisor. You have been in close contact with the hopes and problems of our school. Your common sense and enthusiasm have guided and encouraged us in making decisions and in planning school affairs.

We can't begin to mention all the ways you have served Burbank High, but we can offer this token of our work, the 1963 Cerebus, as an inadequate symbol of our deep gratitude to you, Miss Imbach.

Boys and girls that held him dear,
Do your weeping now;
All you loved of him lies here.

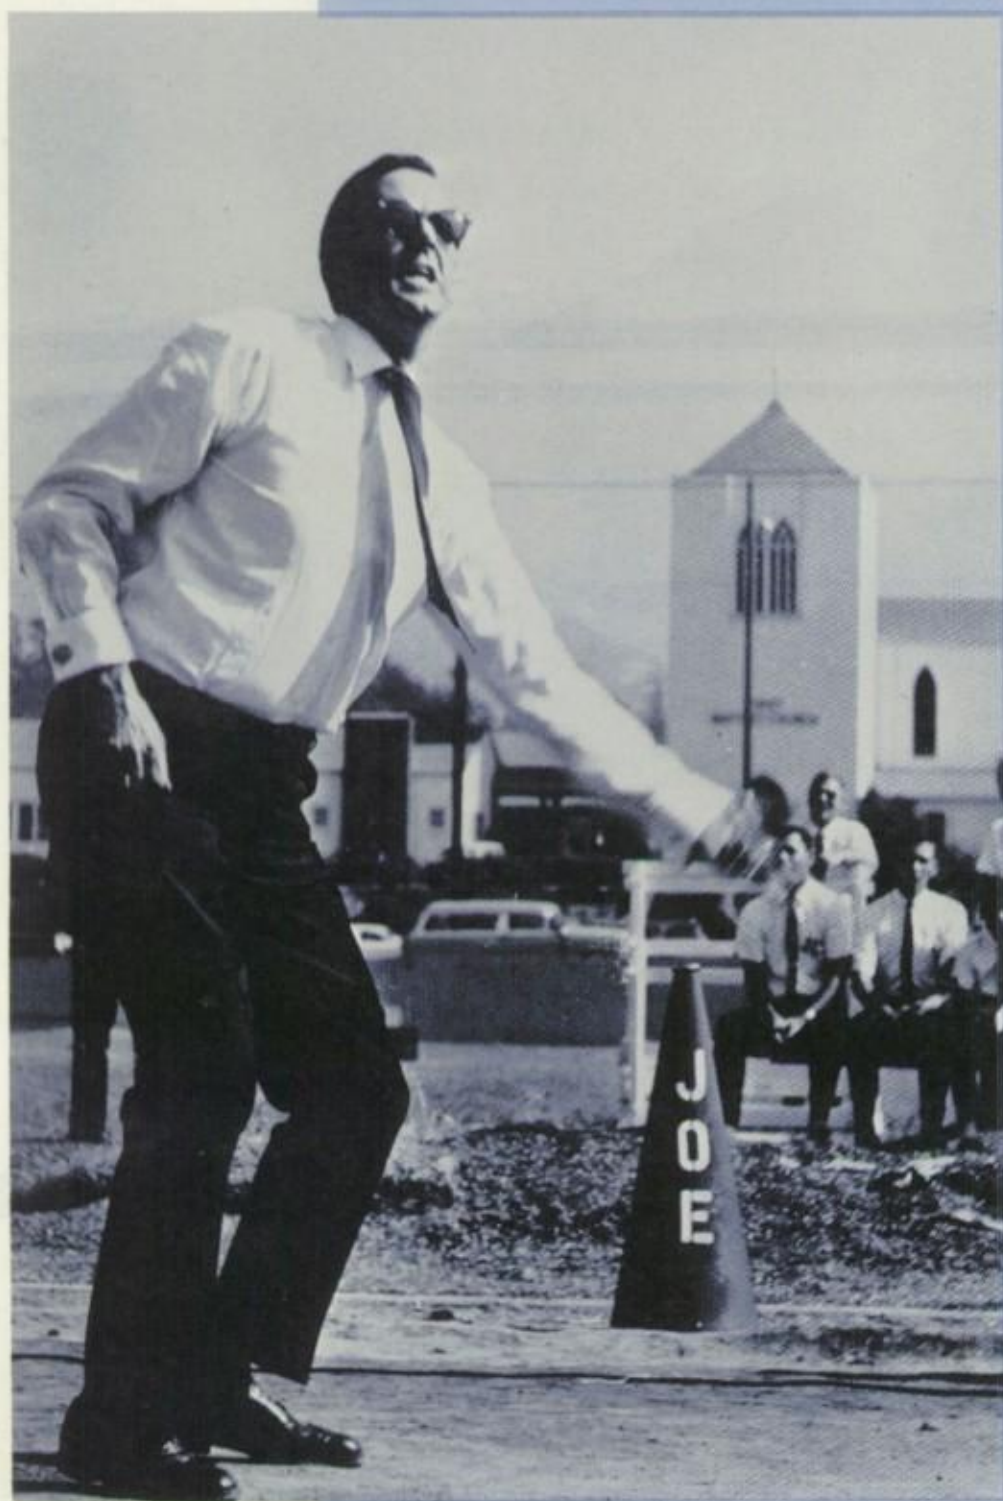

Brought to earth the arrogant brow,
And the withering tongue
Chastened; do your weeping now.

Sing whatever songs are sung,
Wind whatever wreath,
For a playmate perished young,

For a spirit spent in death.
Boys and girls that held him dear,
All you loved of him lies here.

Burbank High School offers over 75 courses to the English student who strives to fulfill this required course subject.

A background of literary reference and the study of Greek and Roman mythology form the basis for the Sophomore English classes.

American literature, with emphasis on grammar and vocabulary shape and prepare the junior for his senior year.

The senior may come to school after having a wonderful summer and think that he has fulfilled all his English requirements. Well, the senior soon realizes that his assumptions were wrong. Senior English classes presents for the student an atmosphere of themes, and poetry recitation. His appreciation of literature is increased by intensive concentration in these areas.

History is a three year required course at BHS. Sophomores find European history an interesting and informative class. In this class the students study the Continent's past as well as current development.

U.S. history is the required class for juniors. It is an excellent course which stresses our constitutional heritage.

The seniors study the problems of democracy for their first semester. This course is divided into two parts, California government and the Communist challenge to democracy. Both of these subjects give the senior a better understanding of the functions of their government. At the end of the semester this class becomes senior problems.

There are also several history electives for the students that wish to pursue this field further. One of these is Eastern civilizations. Another is the humanities seminar which attempts to give the student an appreciation of the humanities.

With today's college entrance requirements as they are, math is strongly encouraged as an important subject in most competitive fields.

Other math offerings include geometry, algebra, and college math.

Class discussion tends to make many phases of math easier to understand.

For students interested in the romantic languages, French is offered in the Burbank High language curriculum.

Emphasis is placed on the reading and writing of this language. The practical use of vocabulary, pronunciation, and grammar represents the core of the program.

Latin is not to be considered a dead language as it is used every day in the fields of law, clergy, and medicine.

Latin may also help a student understand his own English language. Many words in English are derived forms of this language.

Students who seek to learn Spanish, a most popular language with many students, will find the BHS program to be an excellent one. Through the methods of audio-lingual approach, students are taught an understanding of Spanish by means of its history, literature, and culture.

Physical fitness remains one of the all important factors in today's changing world. Burbank High School's Physical Education Department has been planned in accordance with President Kennedy's "Youth Physical Fitness Program." Courses involving weight-lifting, gymnastics and volleyball offer a change from the more popular sports.

The senior physical education classes take part in the "Circuit Routine." This plan for physical fitness involves the development of the entire body by means of still rings, medicine balls, weight-lifting, tumbling and the parallel bars. EXCHANGE

This year, Burbank High hosted Gaynor Feather from Luanshaya, Northern Rhodesia, as one of our two exchange students.

Gay lived with her foster parents, Mr. and Mrs. H. Warren White, and their daughters, Kathy, a junior at Burbank, and Jean, a sophomore at the University of Redlands.

Upon her arrival in the United States, Gay found herself swept off with the Whites to their summer home on Balboa Island where she was quickly indoctrinated to the American way of life.

Gay has become friends with many Burbank High students. Her blond curly hair is a common sight around campus.

What Gay lacks in size (4' 11") she makes up for in her enthusiasm toward Burbank's many activities. She has taken part in Foreign Exchange Club, Highlighters Y Club, Z Club, Theater Workshop, and she played the part of Maud in the Operetta, Music Man.

When Gay was asked what she found different in the U.S. she explained she had found our interpretation of the English language often peculiar. She often finds her own English made fun of when she refers to a radio as a wireless, an elevator as a lift, or a bathing suit as a swimming costume.

The school year is drawing to a close and soon Burbank will have to say good-bye to Gay. Her visit here has been short, but she has made a very warm and lasting impression on all of us. We will miss her and forever remember her lovely smile.

Good luck - Gay

STUDENTS

This year, BHS has successfully taken a step forward in understanding other countries through our understanding foreign exchange student, Syed Anisul Huq, from Pakistan. He is only the second such student to come here from Asia.

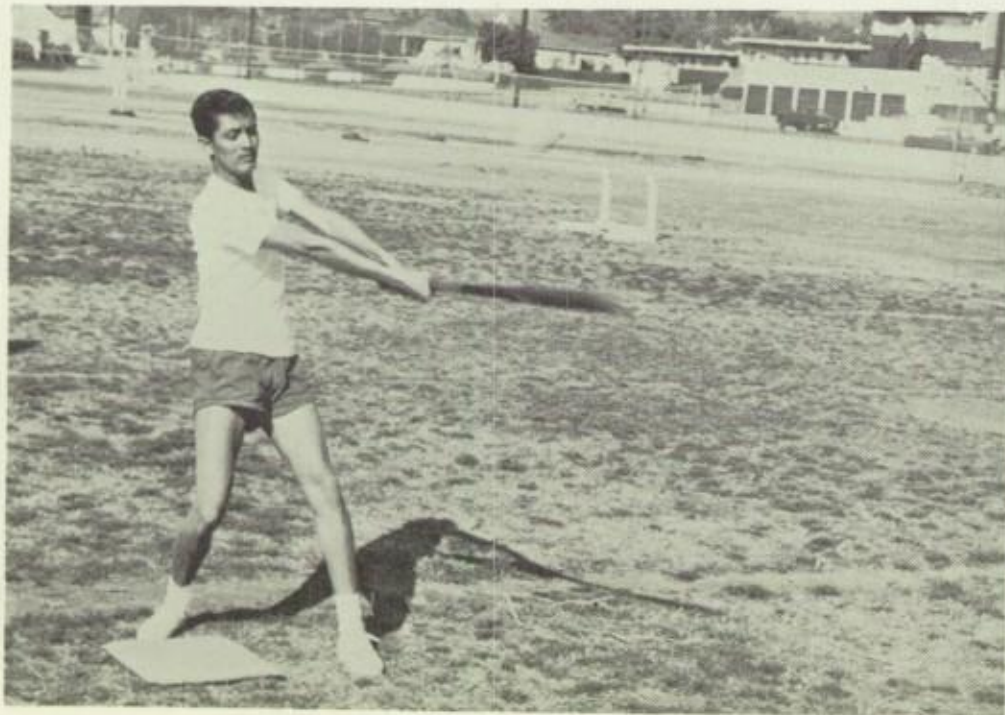

Huq, as he likes to be called, came here on a honor Zellerbach Scholarship, which he applied for after reading about the program in a Pakistan newspaper. He was, though, under the AFS program during his stay in Burbank. Living with Warren Swanson, a junior, and his parents, Huq was looked upon as a welcome brother. He found his new family quite different from his five sisters and three brothers at home.

Huq was slightly disappointed to find that America was not the fabled land of cowboys and Indians that he had expected, giving sufficient reason for his desire to create a better understanding between Pakistan and the United States.

Varsity Defense: Bernie Bayless, Gerry Mylroie, Dave Pierce, Keith Oros, Keith Krammes, Manny Ybarra. Back Row: Mike Borth, Chuck Wendling, Steve Evans, Phil Culotta, Dennis Mielke.

Knocking down the pass intended for a Rosemead player, Chuck Wenzling succeeds in preventing a possible touchdown.

Manny Ybarra goes over the top of the Huskies and gains valuable yardage to aid in the defeat of the North Hollywood team.

PRACTICE GAMES

Burbank opened the 1962 Football Season against a tough Rosemead team. Despite a standout performance by fullback Manny Ybarra, the Bulldogs trailed by a score of 13-12. With less than two minutes remaining in the game, halfback Phil Culotta scored the winning touchdown on a 65 yard pass play from quarterback Keith Krammes, the final score being 18-13.

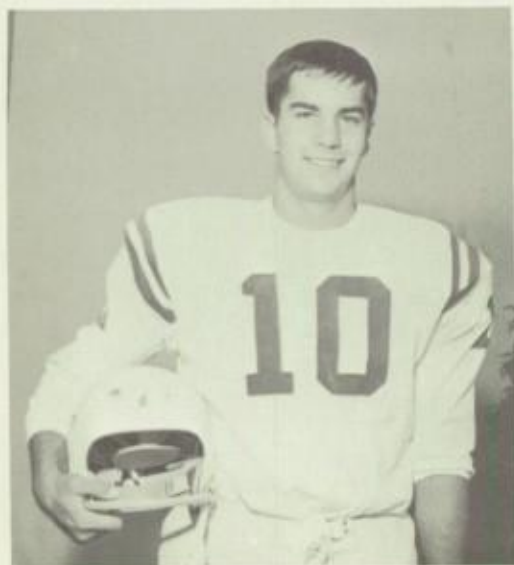

North Hollywood, usually a powerful foe, proved to be no match for a superior Bulldog squad. Piling up over 400 yards in total offense, Burbank scored 31 points to 6 for North Hollywood. Halfback Phil Culotta and slotback Gary Cummins were outstanding on offense, while linebacker Steve Evans was the highlight of a stout defense.

In Burbank's third non-league game against Alhambra, Phil Culotta again proved invaluable. With 44 seconds left to play and the Bulldogs trailing by a score of 16-13, Phil Culotta pulled around end and ran 50 yards for the winning touchdown, the final score being 19-16.

MUIR-PASADENA

Burbank's first league game proved to be a disastrous one as Muir's Mustangs galloped away to a 38-0 victory.

It was a powerful Muir team that pounded out 70 yards in the quarter, to make it 7-0 Muir.

This first touchdown proved to be only a small portion of what was to happen in latter moments of the game. After having received the kickoff, Burbank fumbled, Muir recovered, and another Mustang drive was started with the final result 14-0 Muir.

Burbank could not collect itself as the potent Mustangs stamped through the rest of the game.

There was no stopping a determined Pasadena team as they charged to a 27-13 victory over Burbank's Bulldogs.

The game was a hard fought battle as each team wanted to be placed that much higher in Foothill League standings. With Pasadena's fullback Bruce Corker pounding out yardage, Burbank seemed to have little hope left.

Burbank's Chuck Wendling seemed to liven the Bulldogs' hopes when with 3:08 minutes remaining in the first half, he tallied for Burbank's first touchdown.

No matter how hard BHS tried Pasadena kept pushing them back.

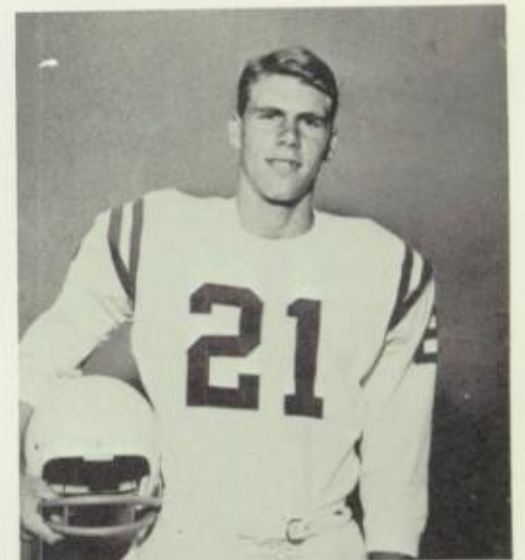

The final result showed an upset win for the Pasadena Mustangs.

After being soundly defeated in their first two league games, Burbank lost a heartbreaker to Glendale High. The final score was 19-18. Glendale scored first when fullback George Heigold crashed over from the 5 yard line. Glendale scored its second touchdown with a pass from Ron Myers to end Gordon Knutson. Late in the 2nd quarter a Burbank drive culminated with Krammes scoring on a keeper. The half time score was 13-6. In the 3rd quarter Phil Culotta ran up the middle for 9 yards and Burbank's 2nd T.D. For the second time, Burbank failed to score the extra point. Glendale came back in the fourth quarter and scored. Fullback Heigold picked up his 2nd T.D. With Glendale leading 19-12, Phil Culotta blasted off tackle for 6 yards and a touchdown. Culotta's run for the extra point failed and the score remained 19-18. A last minute drive by Burbank ended as Glendale's safety, Pete Navolanic, intercepted a Krammes pass.

The following week the Bulldogs ran over the Hoover Tornados 19-0. All league halfback Phil Culotta, running behind all leaguers Steve Evans and Dennis Mielke, scored the three touchdowns and the extra point. Culotta scored on runs of 4, 7, and 10 yards. Quarterback Keith Krammes had a fine evening completing 7 out of 9 passes. Like the offensive the Bulldog defensive played a sparkling game. Safety man Chuck Wendling intercepted two passes, the second one setting up the 3rd T.D. The strong Bulldog line held Hoover to just 6 first downs.

CRESCENTA VALLEY

Crescenta Valley's Falcons won a heartbreaker from the Bulldogs as they flew away with the game defeating Burbank 21-20.

The Falcon's winning TD was scored when a pass from back Mike Hull caught end Willy Discoe in the end zone. A conversion won the game for the Falcons as Rudy Ramiriz made his kick good.

Culotta scored the first of Burbank's three touchdowns when, after a carry up the middle by halfback Manny Ybarra, Culotta caught the check and plunged over for Burbank's first TD.

It was nip and tuck for the rest of the game but Burbank getting a late start just couldn't keep up with a surprisingly powerful Crescenta Valley team.

BURBANK 34 . . . BURROUGHS 0

In the Burbank-Burroughs varsity clash, the Bulldogs began their scoring on their first drive of the game. They drove 62 yards in nine plays, with Phil Culotta running 25 yards to the 5, and then carrying the ball the rest of the way for a Burbank touchdown. Harold Maxham's conversion kick was good to set the score at 7-0.

This pattern continued as Culotta scored two more touchdowns, and Manny Ybarra and Chuck Wendling scored one each. Maxham kicked three more conversions, and this all took place while the Bulldogs were holding the Indians scoreless.

Culotta's tallies consisted of a 1-yard drive to score, and a receipt of a 22-yard pass from Maxham in the end zone. Ybarra caught Maxham's 30-yard pass for his score, and Wendling was also on the receiving end of a pass by Maxham.

Although Burbank's J.V. team didn't end the season on top of the league, Coach Jack Swartzbaugh considers the season a success.

Many of the J.V. players will be ready for the varsity team next year according to the coach.

Long hours of practice were spent and J.V. players were often called to fill in for injuries on the varsity team this season.

The J.V.'s ended their season with a tough 12-12 tie against Burroughs.

Season Summary

"1962 Foothill League "B" Division Champions" is the title belonging to the B.H.S. Bullpups.

During their '62 season, they compiled a 6-0 league score and a 2-1 practice record on their way to the championship.

They began practice action against Rosemead and handed them a 19-6 defeat, with the aid of 2 touchdowns by Paul Cummings and a completed pass by quarterback Leigh Hilt for the third.

The second 'pre-season practice game saw North Hollywood's "B" squad go down to defeat at the hands of the Bullpups, 7-0. The only score came on a 54 yard run by Paul Cummings.

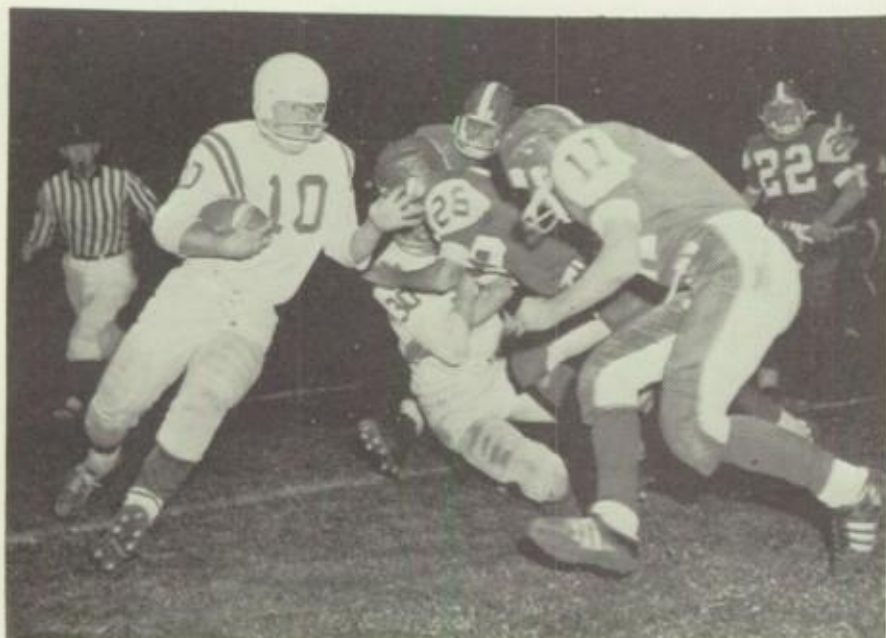

With the beginning of league play, the "Pups" sent Pasadena

away empty-handed, defeating Pasadena Muir 12-0, and Pasadena High 13-6.

Continuing their championship drive, three opponents from Glendale fell to the Bullpups. Glendale was defeated 12-6, Glendale Hoover was dropped 12-2, and Crescenta Valley fell to the "Pups" 8-0. Their ultimate victory came over Burroughs, as they defeated their rivals 12-6.

The only defeat rendered by the Bullpups was against Alhambra, as the Moors edged 19-13.

All accounted for, the Bullpups scored a total of 108 points to their opponents 45, and only one opponent succeeded in scoring more than 1 touchdown against them.

Season's Summary

Burbank's Varsity cagers looked as if they would place high in the Foothill League standings as the Bulldogs boasted a 9-4 pre-season record.

The Bulldogs' spirits seemed high as they won their first game by a 19 point margin. However, the BHS squad's spirit was drowned as a disqualification kept them from their first league victory.

This first game mishap appeared to have jinxed Coach Loutensock's team which occupied the cellar in the Foothill League's mid-season standings.

The 1st string squad is composed mainly of returning varsity lettermen. Ben Carter—center, Kurt Nelson—forward, and Dave Salisbury—guard. Senior Steve Morris is up from last year's J. V. squad, and John Gaball, outstanding sophomore, has the honor of lettering in his first year at BHS.

"B" BAS

With a record of 3-2 the "Pups" looked as if they could take on the whole "Brave" tribe but this proved to be a fruitless observation as the "Braves" scalped BHS and whooped off to another Burroughs victory.

Outstanding "B Pups" are Sam Licursi and Dean De Hart (high scorer) who sank 10 baskets in the Pasadena-Muir game. Both Daryl Hove and Sam Licursi scored 10 points against Muir.

Harry Perkins, Barry Gordon, Warren Swanson, Mag, Greg Dickson. Front Row: Dean De Hart, Jim Greenfield, Rick Sharp, Larry Lopez.

BASKETBALL

Pasadena's Bullpups made BHS eat its "Humble Pie" as Burbank dropped the game to them 71-47, Pasadena.

Crescenta Valley's Falcons flew away with the game as they stomped out a 55-43 victory over the "Bullpups." Jimmy Greenfield offered valuable assists during this game.

The Bullpups, however, really went all out to put their name in the win column, again.

"One thing that can be said about this year's team is that they want to win, and where there is a will there is a way." These words were stated by Coach Frank Kallem, the "working coach" of the BHS track squad.

By "working coach" we mean he works with his team. In his daily workouts with the Bulldog Spikers he generates a confidence that gives the squad a "never say die" attitude.

This year's team seems to be a well balanced one showing us the return of 25 lettermen as its nucleus.

Although improvement is needed in the high and broad jump, an excellence is shown in the distances and sprints. Shotput should prove to be our strongest field event with Dennis Mielke hoping to set some new records this year.

Our top veterans in the distance races are Don Forst, Freddy Ortega, and Rick Romero. Miles Stanton should capture many victories in the 880 event. The 100 yard dash shows us the power potentials of Gary Cummins and Scott Strickland while Bob Zook will run the 440.

When asked his opinion on who the toughest teams would be Coach Kallem stated "When talking of the teams in the Foothill League, one must confess that they are all rough and a maximum effort will be needed to win at all." Highest competition, as usual, appears to come from Muir and Crescenta Valley Highs.

"B" TRACK

"This year's 'B' squad should prove to be the strongest ever put out by BHS," stated Mr. Frank Kallem, track coach.

Burbank's Bullpups far outshone Loyola's spikers as they hoofed to win Burbank's first practice meet.

Outstanding events and players this year are: Kent Lee—1320; Gerry Bustrum—shotput; Rick Shaw—sprints; and Corby Greuter in the low hurdles.

After severely trouncing Loyola in Burbank's first practice game, the BHS "Bullpuppies" may prove to be the "best" in Foothill League Competition this year.

Burbank's strong "C" events this year will be Jim Peabody in the 1320, Dan McFarlin in the high jump, and Joe Sinda—shotputter and relay man.

Under the direction of coach Frank Kallem, the BHS spikers paced themselves to a second place standing in Foothill League competition which earned them the right to compete in CIF competition.

Coach Kallem started his first year at Burbank High coaching the cross-country team. Mr. Kallem has been assistant track coach at Rosemead High and has also run track at L. A. State College. You might call Mr. Kallem a "working coach" as he runs with his students in their practice stints.

The league race was a close one but Crescenta Valley flew away with the Foothill League championship with a 6-1 record. Burbank finished with second place and a 5-2 record.

GOLF

Under the direction of Coach Ray Turner, the BHS golf teams should offer stiff competition to any team in the Foothill League this year.

The team's power should stem from Rick Wagner, Richie Carr, two returning lettermen from last year's squad.

Promising juniors and sophomores are Bruce Brewer, Greg Parker, Tom Arnott and Jerry Fear.

Coach Turner stated "Although a lack of experience may prove to be our weakness, the fact that our first four men are able to score in the 60s should prove to be a beneficial factor."

VARSITY BASEBALL

This year's varsity squad emerged from its practice tilts with a 2-4 record and a highly enthused team.

A strong nucleus was shown with the return of ten lettermen as the Bulldogs slugged their way to victories over Alemany and Cathedral Highs, in their practice game wins. All games taken from Burbank were close shaves which were won by one point.

In his second year as varsity baseball coach, Jack Swartzbaugh stated that "the overall team attitude is good and I'm looking forward to an all-out team effort in every game this season."

Outstanding players on this year's squad are Bernie Bayliss 1b, Ray Keddington p, and Manny Ybarra c.

"A strengthening of this year's squad was achieved by the varsity squad playing underclassmen," stated Mr. Swartzbaugh, "and my goal in years to come is to bring out the best in every team that I coach."

Burbank's strongest opposition this year will probably come from Glendale, last year's league champions, and La Crescenta High Schools.

When asked about team effort, Coach Anderson replied "intrasquad competition for positions is very high."

The team is itching for action after having won one out of their six practice games.

In his second year as coach, Don Mangani thinks that the return of his veterans, Cameron Coulter, Steve Livingston and Jim Teague, will spark the Bulldogs to victory this season.

Promising juniors and sophomores are Vic Martino, Ross Bradley and Joe Davidson.

When asked who would offer the most competition to the squad, Mr. Mangani stated that "Glendale and Pasadena will probably be the toughest opponents in the league."

Outstanding performances have been given by sophomore Ward Hill as he went out to break and set new records in the 100 yard breaststroke and the 200 yard individual medley.

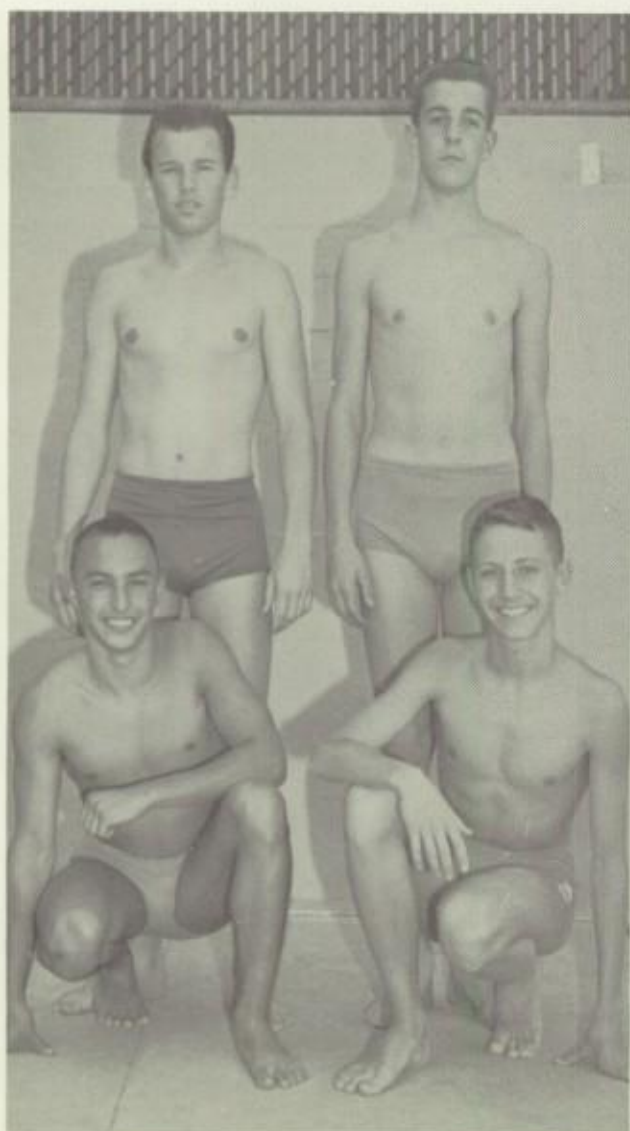

Juniors Paul Bowler, Randy Ziegler, and Randy Shelton have also given outstanding effort with fine results in the meets they participated in.

Delvin Dumey, ace junior diver, held the top spot as he boasted an undefeated record at mid-season point.

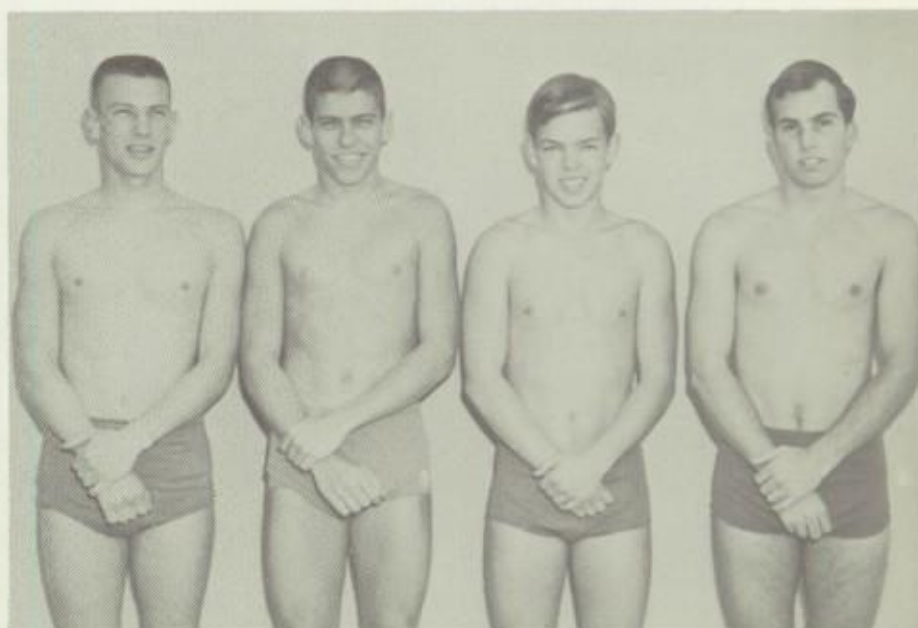

Burbank High's sensational swimmer Chuck Milam has achieved one of the highest honors bestowed to young men, "ALL AMERICAN." While competing in meets and scoring points that would look good to a college coach, Milam has managed to set such records as 57.3 in the 100 yard butterfly and 4:19.6 in the 400 yard freestyle.

udent life

With the 1962-63 year at Burbank the students, which numbered 1900, were surprised to see many changes in the school as well as in each other's appearance.

This year the students were greeted by a new principal. Dr. Leland replaced Mr. Bedigan as the head of BHS.

Another change around campus that greeted the student body shortly after the year began was the newly painted blue and white "doghouse." Painting the student store was only one of the many campus improvement projects planned by this year's ASB class.

The Bulldogs climaxed another exciting grid season by winning the annual Burbank-Burroughs game. The game was the exciting finish to a busy week of Homecoming activities that included a new "Coronation Ball," a dressy dance at which lovely Mary Ellen Blaine and her court were crowned.

At the ASB Foothill League sports night the all Foothill League Team was named and Burbank was proud to find that three of our squad had made the team. They were Phil Culotta, Steve Evans, and Dennis Meilke.

Sam Riddle and his entertainers were at BHS for the third annual Lettermen's Jazz Concert, a new tradition at our school.

In December the Girls' League sponsored their semi-annual Backwards Dance. This year "flappers" and their dates were transported back to the "Roaring Twenties" for an evening of fun.

Burbank could also boast of its outstanding drill-team. Under the direction of Mrs. Dettmann this year's group won trophies in two large Southland parades.

Basketball season brought disappointment to BHS when our team dropped several heartbreakers in League play. But January was marked by some happy events too. There was Trio, the all school production, as well as the election of new student body officers. Many sighs of relief were breathed on January 25th as the first semester ended.

"Be My Valentine" was the theme of this year's Posture Week, a busy time for many BHS girls. The week was climaxed by a beautiful fashion show and the crowning of Miss Posture, Judy Gelfand. Also in the Valentine's mood was the Sweetheart Dance, a semi-formal affair attended by many couples around campus.

March was a big month for school productions with both the dance performance, "Animated Ads" and the Senior Play "You Can't Take It With You" being presented. Both were top notch

productions that were enjoyed by all who attended. "Moonlight and Magnolias" was the theme chosen for this year's Jr. Prom, another event that took place in March.

Easter vacation provided a welcome break in the semester as students took off for the beaches to relax for the week.

May brought another Backwards Dance—this time a semi-formal. Its romantic theme was carried out with fluffy pink clouds and glittering stars that truly transformed the boys' gym into a "Stairway to the Stars." This year it was Burbank's turn to produce the operetta and "The Music Man," starring Terry Pitsford and Judy Serabrenan was really a production to be proud of.

As June rolled around again another school year came to a close. Many were glad, but for some, the Seniors especially, it was a slightly sad time. It was really hard to find time to think much about being sad with all the Senior activities such as the Prom, the Candlelight Supper and the All-Night Party.

But one thing is sure—all BHS students could look back on the year of 1962-63 as an eventful and exciting school year.

Locally Burbank saw many changes this year. One in particular that attracted the attention of most Bulldogs was the beginning of construction on the new city library. The library, however, wasn't the only new building to be seen in Burbank as several new office buildings graced our streets.

Another event this year that created much heated feeling around the school and the community was the hard fought gubernatorial race.

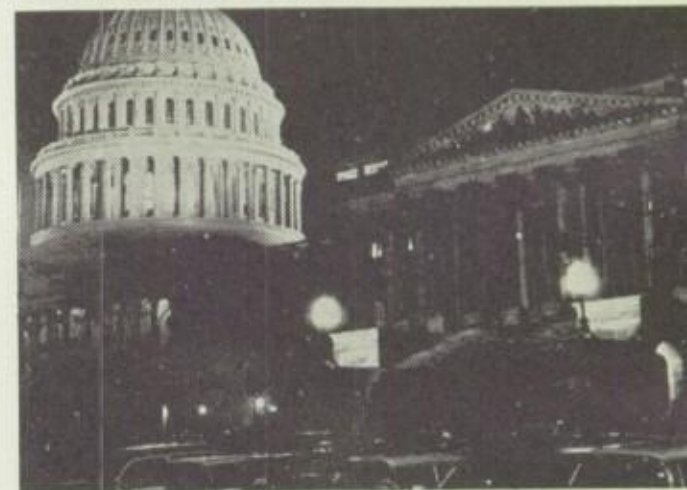

On the international scene many crises shook the world. Not the least of these was the Cuban blockade that filled the headlines around November.

In October James Meredith's name streaked across the headlines as the segregation controversy in the South reached new heights.

The Soviets filled the news again. The invasion of India by the Red Chinese startled the world as did the rumors of a Soviet-Sino break.

Algeria joined the league of newly independent African nations after a long and bitter struggle for its freedom.

This year proved to be an exciting as well as a tension filled year for the world.

ROYALTY

The Fairest of the Fair

The three lovely candidates for Aloha Queen this year are: L-R. Carol Llewellyn, Mary Ellen Blaine, and Gail Atwood.

Beautiful Mary Ellen Blaine
reigned over Homecoming
1963.

Her court consisted of: Gloria Carson, Sophomore Princess; Lynn Behrens, Junior Princess; and Gail Atwood, Senior Princess.

Sweetheart of the whole school was lovely Pam Myers who reigned over the annual Valentines Dance.

Serving as Pam's royal court were Princesses Laurel Shearer and Linda Neville.

The basketball court this year consisted of Darlene Rupperecht, a sophomore who reigned as Queen, and Princesses Carol Llewellyn and Sue Skow, both Seniors.

Chuck Wendling was chosen as King of the annual fall Backwards dance.

H O M E

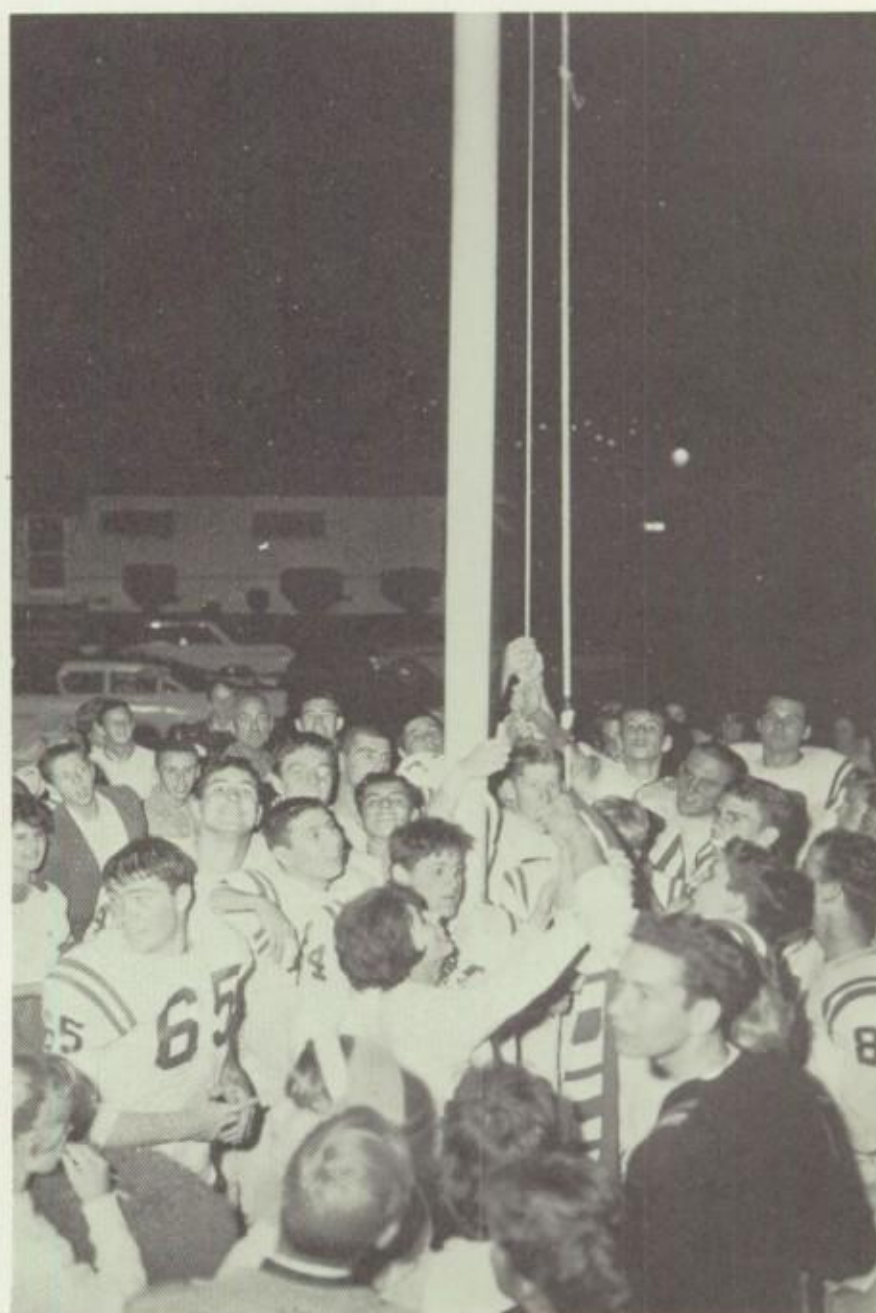

C O M I N G

The band blares; crowds cheer; the scoreboard flashes; batons twirl; and pom poms rustle. All of these marked the excitement of the big game with our cross-town rivals, Burroughs. The whole week was filled with activities for the Bulldogs.

On Tuesday the mighty Seniors enjoyed Senior Privilege day. Wednesday night the Coronation Ball was held in the gym. The evening was highlighted by the crowning of Queen Mary Ellen Blaine, and the presentation of her lovely court.

Friday, the day of the big game, was full of activities for loyal Bulldogs, with a rally, car caravan, and class yells. That night as the victorious Bulldogs left Memorial Field, one thing was sure — they would long remember Homecoming 1963.

RALLIES AND ASSEMBLIES

In the past year, BHS has been privileged to have many fine rallies and assemblies for the enjoyment and education of the students.

Once again, Mr. John Goddard returned to BHS to capture the imagination of the students with stories of adventure and intrigue the world over.

Aside from the enjoyment stimulated by guest speakers and musicians, we have also been privileged to participate in the activities and events of our own school life. Among these is Homecoming Week, culminating the crosstown rivalry with Burroughs.

Thundering applause arose from the stands as the Queens and Courts of 1906 and 1962 were presented from shiny new convertibles.

After the crowning, our husky drill team and light weight football team presented programs, adding one more highlight to the busy week.

Introduction

CERALBUS STAFF

"With These Hands" was designed and edited by the members of the Ceralbus Staff. It records events of the 1962-63 school year.

This year, as in past years, the Ceralbus Staff planned and executed picture days. The entire days were devoted to taking pictures of clubs, organizations and various activities.

Staff members and the editor-in-chief joined forces in writing captions and copy, laying out pages, and displaying pictures that would be of most interest to students and faculty.

In keeping with the theme, the cover and end sheets add a colorful note to the book.

MISS GINNY GFELLER
Editor-in-chief

MR. JAMES QUIDER
Advisor

MISS CAROL LLEWELLYN
Managing Editor

Editor's Farewell . . .

I, Ginny Gfeller, being of sound mind (in spite of the past year), bequeath all the problems, worries, and triumphs of my job to the 1964 Ceralbus Editor.

The staff has worked many long, tedious hours to make this book the success we feel it is. The staff has done a tremendous job doing lay-outs, dummies, and copy.

I would like to take this opportunity to thank my Managing Editor, Carol Llewellyn, who has done an excellent job of planning and scheduling pictures, and Sonnett Reschke, who did such a wonderful job as Finance Editor.

We could not be as proud as we are without the aid of the skillful hands of Mr. James Bishop who took all of the senior portraits and many other pictures for our book; the capable, understanding hands of Mr. John Thomas, our publisher; the many hands at the S. K. Smith Co. that did our cover; and most important, the patient, guiding hands of our new advisor, Mr. James Quider.

I would also like to thank the student body for its support and co-operation. I sincerely hope that the hands that hold this book will help build a stronger America.
